Purpose and/or usage of this software package:

The purpose of this anti-spam modification program is to detect unsolicited web traffic (a.k.a. Spam) and restrict and/or limit its access from registering as users and/or participating on your Simple Machines Forum website.

This software package is distributed under the terms of the Freeware License whereas all of its conditional terms are noted within this document.

Freeware License EULA.

FREEWARE LICENSE END-USER LICENSE AGREEMENT

NOTICE TO USER:

Please, read this carefully. By using all or any portion of the Software you accept all the terms and conditions of this Agreement. If you do not agree, do not use this Software.

DEFINITIONS

When used in this Agreement, the following terms shall have the respective meanings indicated, such meanings to be applicable to both the singular and plural forms of the terms defined:

"Licensor" means Underdog@askusaquestion.net. "Licensee" means You or Your Company, unless otherwise indicated.

"Software" means (a) all of the contents of the files or other media with which this Agreement is provided, including but not limited to ((i) related explanatory written materials or files ("Documentation"); and (ii) Software setup files and code samples (if any); and (b) upgrades, modified versions, updates, additions, and copies of the Software, if any, licensed to you by the Licensor (collectively, "Updates").

"Use" or "Using" means to access, install, download, copy or otherwise benefit from using the functionality of the Software in accordance with the Documentation.

"Host Computer" means as a general-purpose computer system connected to a communications network for *the purpose of achieving resource sharing amongst the participating operating systems.*

"Third Party Data Providers" means outside sourced websites used for the gathering of IP's and Email Addresses that have been flagged as Spam from those Third Party Data Providers.

"SMF" means [Simple Machines Forum](#) which is a free internet forum application. SMF is developed by the Simple Machines development team.

2. GENERAL USE

You are granted a non-exclusive License to Use the downloaded Software for the purpose of protecting your SMF installation from **unsolicited web traffic (a.k.a. Spam)** for an unlimited period of time.

The software product under this License is provided free of charge. Even though a license fee is not paid for the use of such software, it does not mean that there are no conditions for using such software.

- 2.1. The Software may be installed and Used by the Licensee for any legal purpose.
- 2.2. The Software may be installed and Used by the Licensee on any number of Host Computers owned, leased or controlled by the Licensee.
- 2.3. The Licensee will not have any proprietary rights in and to the Software. The Licensee acknowledges and agrees that the Licenser retains all copyrights and other proprietary rights in and to the Software.
- 2.4 Use within the scope of this License is free of charge and no royalty or licensing fees shall be paid by the Licensee.

3. INTELLECTUAL PROPERTY RIGHTS

3.1 This License does not transmit any intellectual rights on the Software. The Software and any copies that the Licensee is authorized by the Licenser to make are the intellectual property of and are owned by the Licenser.

3.2 The Software is protected by copyright, including without limitation by Copyright Law and international treaty provisions.

3.3 Any copies that the Licensee is permitted to make pursuant to this Agreement must contain the same copyright and other proprietary notices that appear on or in the Software.

3.4 The Licenser holds the right to distribute this Software and any subsequent updates from askusaquestion.net and/or simplemachines.org.

3.5 Limited Use. You may not transfer, rent, sublicense, assign, lease, loan, resell for profit, redistribute, encumber, publish or otherwise share the Software (or related materials based upon the Software or any part thereof) without the prior written consent of the Licenser.

3.6 The Licensee is permitted to review and modify the source code for their own customization, curiosity or troubleshooting needs with the condition that all other clauses of this license agreement are not violated.

4. WARRANTY

4.1 The Licenser warrants that:

4.1.1 it owns the Software and documentation and/or is in possession of valid and existing licenses that support the terms of this agreement,

4.1.2 to the best of its knowledge, the Software does not infringe upon or violate any intellectual property right of a third party and the Licenser will indemnify, defend and hold the Licensee harmless in the event of a claim related thereto;

4.1.3 the Software does not contain any back door, time bomb, drop dead device or other routine intentionally designed by the Licenser to disable a Host Computer program or Host Computer instructions that alter, destroy or inhibit the processing environment.

4.2 Except those warranties specified in section 4.1 above, the Software is being delivered to the Licensee "AS IS" and the Licenser makes no warranty as to its use or performance.

The Licensor and its suppliers do not and cannot warrant the performance or results the Licensee may obtain by using the Software.

Except for any warranty, condition, representation or term to the extent to which the same cannot or may not be excluded or limited by law applicable to the Licensee in his jurisdiction, the Licensor and its suppliers make no warranties conditions, representations, or terms (express or implied whether by statute, common law, custom, usage or otherwise) as to any matter including without limitation non-infringement of third party rights, merchantability, integration, satisfactory quality, or fitness for any particular purpose.

5. LIMITATION OF LIABILITY

In no event will the Licensor or its Third Party Data Providers be liable for any damages, claims or costs whatsoever or any consequential, indirect, incidental damages, or any lost profits or lost savings, even if the Licensor has been advised of the possibility of such loss, damages, claims or costs or for any claim by any third party.

In no event will the Licensee be liable to the Licensor on condition that the Licensee complies with all terms and conditions stated in this License.

6. NON-WAIVER

If a portion of this agreement is held unenforceable, the remainder shall be valid. It means that if one section of the Agreement is not lawful, the rest of the Agreement is still in force. A party's failure to exercise any right under this Agreement will not constitute a waiver of (a) any other terms or conditions of this Agreement, or (b) a right at any time thereafter to require exact and strict compliance with the terms of this Agreement.
